The National PMU is pleased to offer a program for our Registered horses that compete at Horse Shows.

The divisions are as follows:

English for horses that compete in any show event under English tack. This includes English Pleasure, Equitation, Fit and Show, Trail, Jumping, Hunter Hack, Dressage, or combined training.

Western for horses that compete in judged events under western tack. This includes Western Pleasure, Equitation, Fit and Show, Trail, Western Riding, Reining or any working class that is not timed.

Gymkhana For timed events such as Cloverleaf barrels, Pole Bending, Straight barrels, any “game” type class that is based strictly on time.

Driving For horses shown under harness. This includes Pleasure Driving, Reinsmanship, Obstacle, or any pulling type events.

Halter For horses shown in hand. Any halter class will count with a bonus given for Grand and Reserve placing. (On form note Grand and Reserve in class name and put in 10 pts for Grand 5 for Reserve!)

Youth For riders or handlers 17 and under. Must not turn 18 until after Nov. 15 of competition year. Can include any placing from the above divisions. Must be shown by the youth only. Points from other handlers or riders will not count.

Rules and Regulations

An enrollment form must be submitted prior to accumulating points. Points will be accumulated effective the postmark date of entry. Points can be counted from shows between the dates of March 1 to November 15, providing the entry form is postmarked prior to March 1. A \$10 fee in US Dollars must be enclosed for each division entered.

With the exception of the Youth division, the horse may have points submitted under different handlers or riders on the same form.

Tracking Points

Points must be tracked on an Official Program Point Sheet. Each division must be on a different sheet. The date of the show, Show Name must be included for each class entered. The following method will be used to calculate points. The number of entries in the class must be noted. A horse will get a point for each horse it beats in a class. If there are 10 horses in a class, here is how points would be awarded.

1st place would get 10 points, second would get 9 points, third 8 points, fourth 7 points, fifth 6 points, sixth would get 5 points. Points will stop at 6th place unless it is noted on prize list (show Program) that it awards to 7th or 8th place.

Submitting Points

For each show you participate at a Show Program must be included. It must state the date of the show; the judge and a contact for show management. A member of the show staff must sign the Show Program. (Just have them sign it when you enter your horse!) Try to fill out your point sheet after you return from the show while your memory is still fresh! We reserve the right to disallow points if form is illegible or not calculated correctly. Please, just contact us if you need any help filling out the form!

Prizes

Trophy plaques will be awarded to the Champion and Reserve Champion for each division. Rosettes will be awarded to the top five point totals in each division.

An award plaque will also be awarded to the horse with the highest total points accumulated in any division or combination of divisions.

Regulations

The Hi Point Program is on the Honor System. We may randomly verify points through the show staff using information from the Show Program submitted. By enrolling in the program you are agreeing to abide by the decisions of The Registry. Falsifications on the enrollment or point sheets may result in being excluded from the program with no refund of fees.

Since this is the first year for the program, please feel free to make suggestions on how to improve it for the next year. (More divisions will be added in the future if requests warrant it.)
